

SCRATCH ACCOUNT

NEW TO SCRATCH? GET STARTED BY CREATING YOUR SCRATCH ACCOUNT!

You will need a Scratch account to create, save, and share your Scratch projects. The steps below will walk you through creating a new account and setting up your profile. ----->

START HERE

- ❑ Open a web browser and navigate to the Scratch website: <http://scratch.mit.edu>
- ❑ On the homepage, click on "Join Scratch" at the top on the right or in the blue circle.
- ❑ Complete the three steps to sign up for your very own Scratch account!

The image shows the Scratch homepage with a navigation bar at the top containing "Create", "Explore", "Discuss", "Help", and a search bar. On the right of the navigation bar are "Join Scratch" and "Sign In" links. The main content area has the text "Create stories, games, and animations" and "Share with others around the world". Below this are three buttons: "TRY IT OUT" (with a cat icon), "SEE EXAMPLES" (with a cat icon), and "JOIN SCRATCH (it's free)" (with the Scratch logo). A dashed arrow points from the "JOIN SCRATCH" button to a "Join Scratch" modal form. The modal form has a title "Join Scratch" and a close button "X". Below the title is the text "It's easy (and free!) to sign up for a Scratch account." followed by three input fields: "Choose a Scratch Username", "Choose a Password", and "Confirm Password". A blue button "Don't use your real name" is next to the username field. At the bottom of the modal is a Scratch logo and a progress bar with three steps: 1 (active), 2, and 3. A "Next" button is at the bottom right of the progress bar.
