Male Athletes Against Violence

Violence is a way of asserting power, privilege and control. Men perpetrate the majority of violence, and yet this issue is usually framed as a woman's issue. Change will come when we challenge the social norms and institutions that actively or implicitly condone and promote violence. MAAV is an effort to involve men so that we can begin to understand that violence is very much a “man's issue.” To contact Male Athletes Against Violence, visit umaine.edu/maav or call 207.581.3138.
