

**M. WADE JANDREAU II**

59 Pine Street  
Bangor, ME 04401

(207) 991-1942

Mark.Jandreau@umit.maine.edu

---

**OBJECTIVE**      To obtain a Mechanical Engineering job where I can apply the knowledge I have acquired from my engineering degree and previous experience working on military aircraft.

**EDUCATION**    -*University of Maine*, expected August 2011.  
                         B.S. Mechanical Engineering Technology.  
                         -Heating, Ventilation, and Air Conditioning  
                         -Industrial Vibrations  
                         -Control of Industrial machines  
                         -*Airmen Leadership School*, May 2010.  
                         -*U.S. Air Force Aerospace Maintenance Technical School*, March 2007.  
                         -Aircraft Systems and Components  
                         -Aircraft Maintenance, Fuel, Electrical and Hydraulic Fundamentals  
                         -Air Force Specialty Internship  
                         -*U.S. Air Force Basic Military Training*, November 2006.

**EXPERIENCE**    *Maine Air National Guard*, 2006-Present  
                         -Maintains Secret Security clearance  
                         -Holds current rank of Staff Sergeant (E-5)  
                         -Experienced Inspection Docks Crew Chief on Boeing KC-135R Stratotanker  
                         -Skilled 5 level able to perform tasks independently on assigned aircraft, and train other Airmen to perform those tasks  
                         -Performs in-depth inspections and determines serviceability of critical aircraft components such as: Landing gear, Flight controls and Aircraft safety equipment  
                         -Repair and replace aircraft components using a variety of tools, test equipment and technical manuals while observing all safety procedures  
                         -Experience using test equipment such as pressure gauges, torque wrenches, push-pull gauges, calipers, micrometers, and other precision measuring tools commonly used in maintenance

**COMPUTER EXPERIENCE:**

-Microsoft Office (Excel, Word, Outlook)	-LabView & Visual Basics
-CAD (Solid Edge & Solid Works)	-TK Solver

**Honors:**

- Air Force Outstanding Unit Award
- Air Reserve Forces Meritorious Service Medal
- National Defense Service Medal
- Global War on Terrorism Expeditionary Medal
- Global War on Terrorism Service Medal
- Air Force Longevity Service Award Ribbon
- Armed Forces Reserve Medal with Mobilization Device
- United States Air Force Professional Military Education Graduate Ribbon
- Small Arms Expert Marksmanship Ribbon
- Air Force Training Ribbon
- Dean's List, Fall 2010.
