

Fall 2008 SVT IAC meeting
Dec. 2008

Start: Approximately 3 pm
End: Approximately 6 pm

IAC members present

David Cook, David Hilbern, Claire Kiedrowski, Joe McNichols, David Titcomb, Ken Roy, Shep Shepherd
Carlton Brown, Knud Hermansen, Ray Hintz

Previous meeting minutes were approved.

Ken Roy was recognized for his contributions as this was his last meeting due to a job change.

The findings of the fall ABET visit were discussed. The strength of IAC was recognized by ABET.

The non-faculty then met with SVT students from all years of undergraduate education.

The students showed enthusiasm and are satisfied with their education. Equipment and facilities were deemed acceptable by the students. Some seniors wanted more individual work in capstone (3-1-09 – this has been implemented).

Scott Dunning then provided a tour of the area for the future photogrammetry lab. It was decided to select the second floor area of the Advanced Manufacturing Center as opposed to the alternative of the first floor in that building.
