

Field Trip to Canada Without Leaving the Classroom

Money

1. Get a plain white piece of paper. Use the side of a pencil to make rubbings of six different Canadian coins on a piece of paper. Make an image of both sides of each coin. Label the coins on your paper.

2. Name three or more animals that appear on Canadian coins.

A. _____

B. _____

C. _____

3. What or who is pictured on every Canadian coin?

4. Scan or read the article about the Schooner Bluenose.

<http://www.tourcanada.com/bluenose.htm>

Use your judgment. What might be one reason for the Bluenose to be chosen for the 10-cent coin?

5. If a Canadian went to a bank to exchange \$5.00 (CAD) for U.S. money, how much U.S. money would they receive?

\$1.00 (CAD) = \$0.75 (USD)

\$1.00 (USD) = \$1.32 (CAD)

\$5.00 (CAD) = \$ _____ (USD)
