

Field Trip to Canada Without Leaving the Classroom

Flagpole

1. Look at the sugar maple leaf and count its points.

A. How many? _____

2. Compare this number with the number of points on the Canadian Flag maple leaf.

Come up with one reason why the flag leaf has fewer points than a real leaf.

Read page 20 in the book, Canada's Maple Leaf.

3. Match each card showing a Provincial or Territorial flag with the corresponding suggestion for recognizing it. Recommend how to remember the flags that have no suggestions.

Suggestion for remembering the flag of Ontario: _____

Suggestion for remembering the flag of Saskatchewan: _____
