WHY STUDY STUDIO ART AT THE UNIVERSITY OF MAINE?

The Department of Art's Studio Art program (BA & BFA) fosters an inspiring learning environment to promote creativity and technical virtuosity. It encourages aspiring artists to refine skills in various media and establish a foundation in the liberal arts and sciences. The major prepares students to make visionary contributions to our media-rich world.

Art is humanity's common language. Our program challenges students to find an artistic voice and contribute meaningfully to this vital universal activity.

- Justin Wolff, PhD, chair of the Department of Art
