WHY STUDY ART EDUCATION AT THE UNIVERSITY OF MAINE?

The Department of Art's BA program in Art Education places both philosophy and practice at the center of student learning experiences. The curriculum emphasizes educational theory, art historical context, and artistic creativity in the studio. Students also gain practical, hands-on experience teaching in laboratory schools and service-learning courses. Art Education majors earn minors in Studio Art and Art History and qualify for art teacher certification.

The University of Maine System is an equal opportunity institution committed to nondiscrimination.
