INVITATION TO PARTICIPATE IN A RESEARCH STUDY:
Investigating the delivery of the
PEERS® interpersonal skills curriculum delivered via Zoom

Sarah K. Howorth, PhD, BCBA-D, Assistant Professor, UMaine

Libby Stone-Sterling, PhD, Director Maine Division of Vocational Rehabilitation

- We are looking for individuals between the ages of 14-24 to participate in interviews conducted via phone or Zoom (30-60 minutes) to determine eligibility to participate in a research study.
- You will be asked to complete some surveys before the skills sessions begin, and again after they end. Each time it will take about an hour to complete these forms.
- If eligible, social skills group sessions will take place once per week for a total of 90 minutes via Zoom. There will be 6-12 participants in each group. Your teen must be willing to participate in 13 of the 16 weekly sessions.

If you would like to participate and/or have questions about this study, please contact: libby.stone-sterling@maine.gov
