For 2019-20, the MBS met AACSB standards for proportions of faculty participating in the life of the college, publishing, and providing current industry experience. The MBS also met standards for faculty teaching at the 1st and 2nd year levels, junior and senior, and for the MBA. While the MBS was not in compliance with AACSB standards in 2018-2019 in accounting or finance, the MBS achieved standard and maintained it throughout the 2019-2020 academic cycle.
