<b>Yoga: Align &amp; Unwind</b>	Discover the transformative power of Yoga in this alignment-focused class. Perfect for all levels, our sessions emphasize precision and attention to detail, helping you build a strong foundation in your practice. Through the use of props and mindful adjustments, you'll explore each pose deeply, enhancing your strength, flexibility, and overall body awareness. Join us to experience the profound benefits of Yoga and leave feeling balanced, centered, and empowered.
<b>Bootcamp</b>	An interval training class that mixes calisthenics and body weight exercises with cardio and strength training. These classes are designed to push participants harder than they'd push themselves and to always keep the body guessing.
<b>Butts and Guts</b>	A great way to shape and tone the lower body. This class uses a variety of fitness equipment to target the core and legs. This class is low impact.
<b>Cycle Strength</b>	Cycle Strength is a 60-minute exercise class featuring a 35-minute rhythm-based endurance and strength ride on the bike, followed by a 15-minute functional strength workout that will leave you feeling physically and mentally strong. Class spots are limited! Please grab a Cycling Pass at the Front Desk to secure your spot!
<b>Dance HIIT</b>	Dance HIIT is the new way to move! It combines fun and fitness in the best way, guaranteeing you get your sweat on!
<b>Empower Yoga</b>	This yoga class is an all-inclusive flow class with challenges built in to help participants grow and feel strong in their practice.
<b>Full Body HIIT</b>	This high intensity interval workout will have you performing short, intense bursts of activity followed up with a short rest period on repeat. This workout will include a through warm up followed by a cool down.
<b>Pilates</b>	Mat based exercises that strengthen the core, improve postural alignment, create mind-body awareness and increase focus. Added benefits are improved flexibility and balance as well as precision and grace of movement. Approachable and adaptable to all fitness levels, classes are varied, fun and will leave you feeling centered, stronger and more mobile- an amazing way to begin or end your day.
<b>Sculpt &amp; Tone</b>	Build muscle, burn calories, and get toned! An effective total body muscle conditioning workout utilizing a variety of exercises and dumbbells. A great way to start your day, suitable for all!
<b>Slow Flow Yoga</b>	Slow Flow Yoga is a gentle and mindful practice that emphasizes fluid movement, deep breathing, and body awareness. This class focuses on connecting breath with each posture at a relaxed pace, allowing time to explore alignment, build strength, and increase flexibility. The goal of this practice is to promote relaxation, stress relief, and a sense of calm while gently engaging the body. All levels of yoga practitioners are welcome!
<b>Spin</b>	This class is a great cardiovascular workout. Pedal through hill climbs, sprints, and many other challenging drills and exercises. All levels are welcome. Participants may call (581-1082, press 1) or stop by the front desk up to 1 hour before class to reserve a bike pass.
<b>Splash HIIT</b>	Pool exercise is safe, fun, and can be intense, too! This 50- minute class uses a variety of pool equipment, the vortex, and music to splash your way through a high intensity interval training-cardio workout. Working vertically in the water challenges muscles while protecting joints. Many exercises can be adapted to low or no impact. Class is appropriate for all fitness levels. Ability to swim is not necessary, but you should be comfortable in shallow water.
<b>VXN</b>	VXN is a performance inspired dance class that focuses on empowerment and confidence. A lot of the music ranges from hip hop to Latin style and the dancing matches these styles for a different range and interest.
<b>Yogalates</b>	Combining the dynamic flow of Vinyasa Yoga with core strengthening Pilates, this class will invigorate your mind and body. Flowing movement and static poses mesh seamlessly with deep abdominal exercises creating a workout that will raise and lower your heartrate leaving you refreshed, centered and rejuvenated.
