Special Note: In addition to the books listed above, Fogler Library subscribes to the Canadian Electronic Library consisting of more than 16,700 books in electronic format. Records with links to the e-books are updated on a monthly basis in URSUS. The collection includes current in-copyright title from leading Canadian publishers, and new titles are added on a regular basis. The collection contains both titles the library has in bound form and new Canadian materials, particularly in the fields of French- and English-Canadian literature. It is a major addition to Fogler Library's Canadian collection.
