Harebo, Director of Equal Opportunity, 101 North Stevens Hall, University of Maine, Orono, ME 04469-5754, 207.581.1226, TTY 711 (Maine Relay System).

Employer Recruitment Guide

HIRE A BLACK BEAR!

umaine.edu/career/employers/

Job Postings & CareerLink

List your jobs openings through CareerLink. This campus-wide job board enables you to reach the talented pool of UMaine candidates, across the many undergraduate and graduate degree programs.

On-Campus Informations Sessions

Increase your company's visibility on campus, by scheduling an information table or session. These sessions allow you to meet prospective candidates, discuss opportunities, and connect with faculty members regarding classroom presentations.

Annual Career Fairs

We host a comprehensive Career Fair and an Engineering Job Fair each year, along with many networking events. These events are a great way for you to meet prospective candidates and collect resumes for internships and full-time opportunities.

“ We have had fantastic success with our UMaine interns. They come to us with good engineering/problem solving skills and great work ethics. We put them on projects that we really need to get done and count on them to deliver, which they have done consistently. We will continue to use UMaine as our primary source of talent. ”

“ We truly value our internship partnership with UMaine, and look forward to continuing to provide a robust Summer Intern program that includes workplace experience, professional skills development and social engagement. ”

On-Campus Interviewing

Recruit and interview UMaine applicants for your internships, and full-time positions through the Career Center. We host over 100 companies each year and offer support and facilities to ensure a successful visit.

Internships

The Career Center is the point of contact to consult when establishing internships for UMaine students. See our Internship Guide on the Career Center website for more details.

Social Media

We can assist in developing a strategy for marketing your on-campus recruiting visit with additional promotion through targeted social media campaigns, reaching larger numbers of your ideal candidates.
