

## Graduate School Application Checklist

- Research graduate programs (check web sites; email graduate directors).
- Obtain applications.
- Write to faculty in prospective programs.
- Request letters of reference.
- Request academic transcripts.
- Schedule required exams (most are administered online).
- Complete applications and submit well before published deadlines.
- Inquire about assistantships, fellowships, and other forms of financial aid.
- File a FAFSA Form by March 1 for fall admission.
- Arrange an interview if necessary.
- Follow up on applications.
