

Meet and Greet

the Cooperative Forestry Research Unit

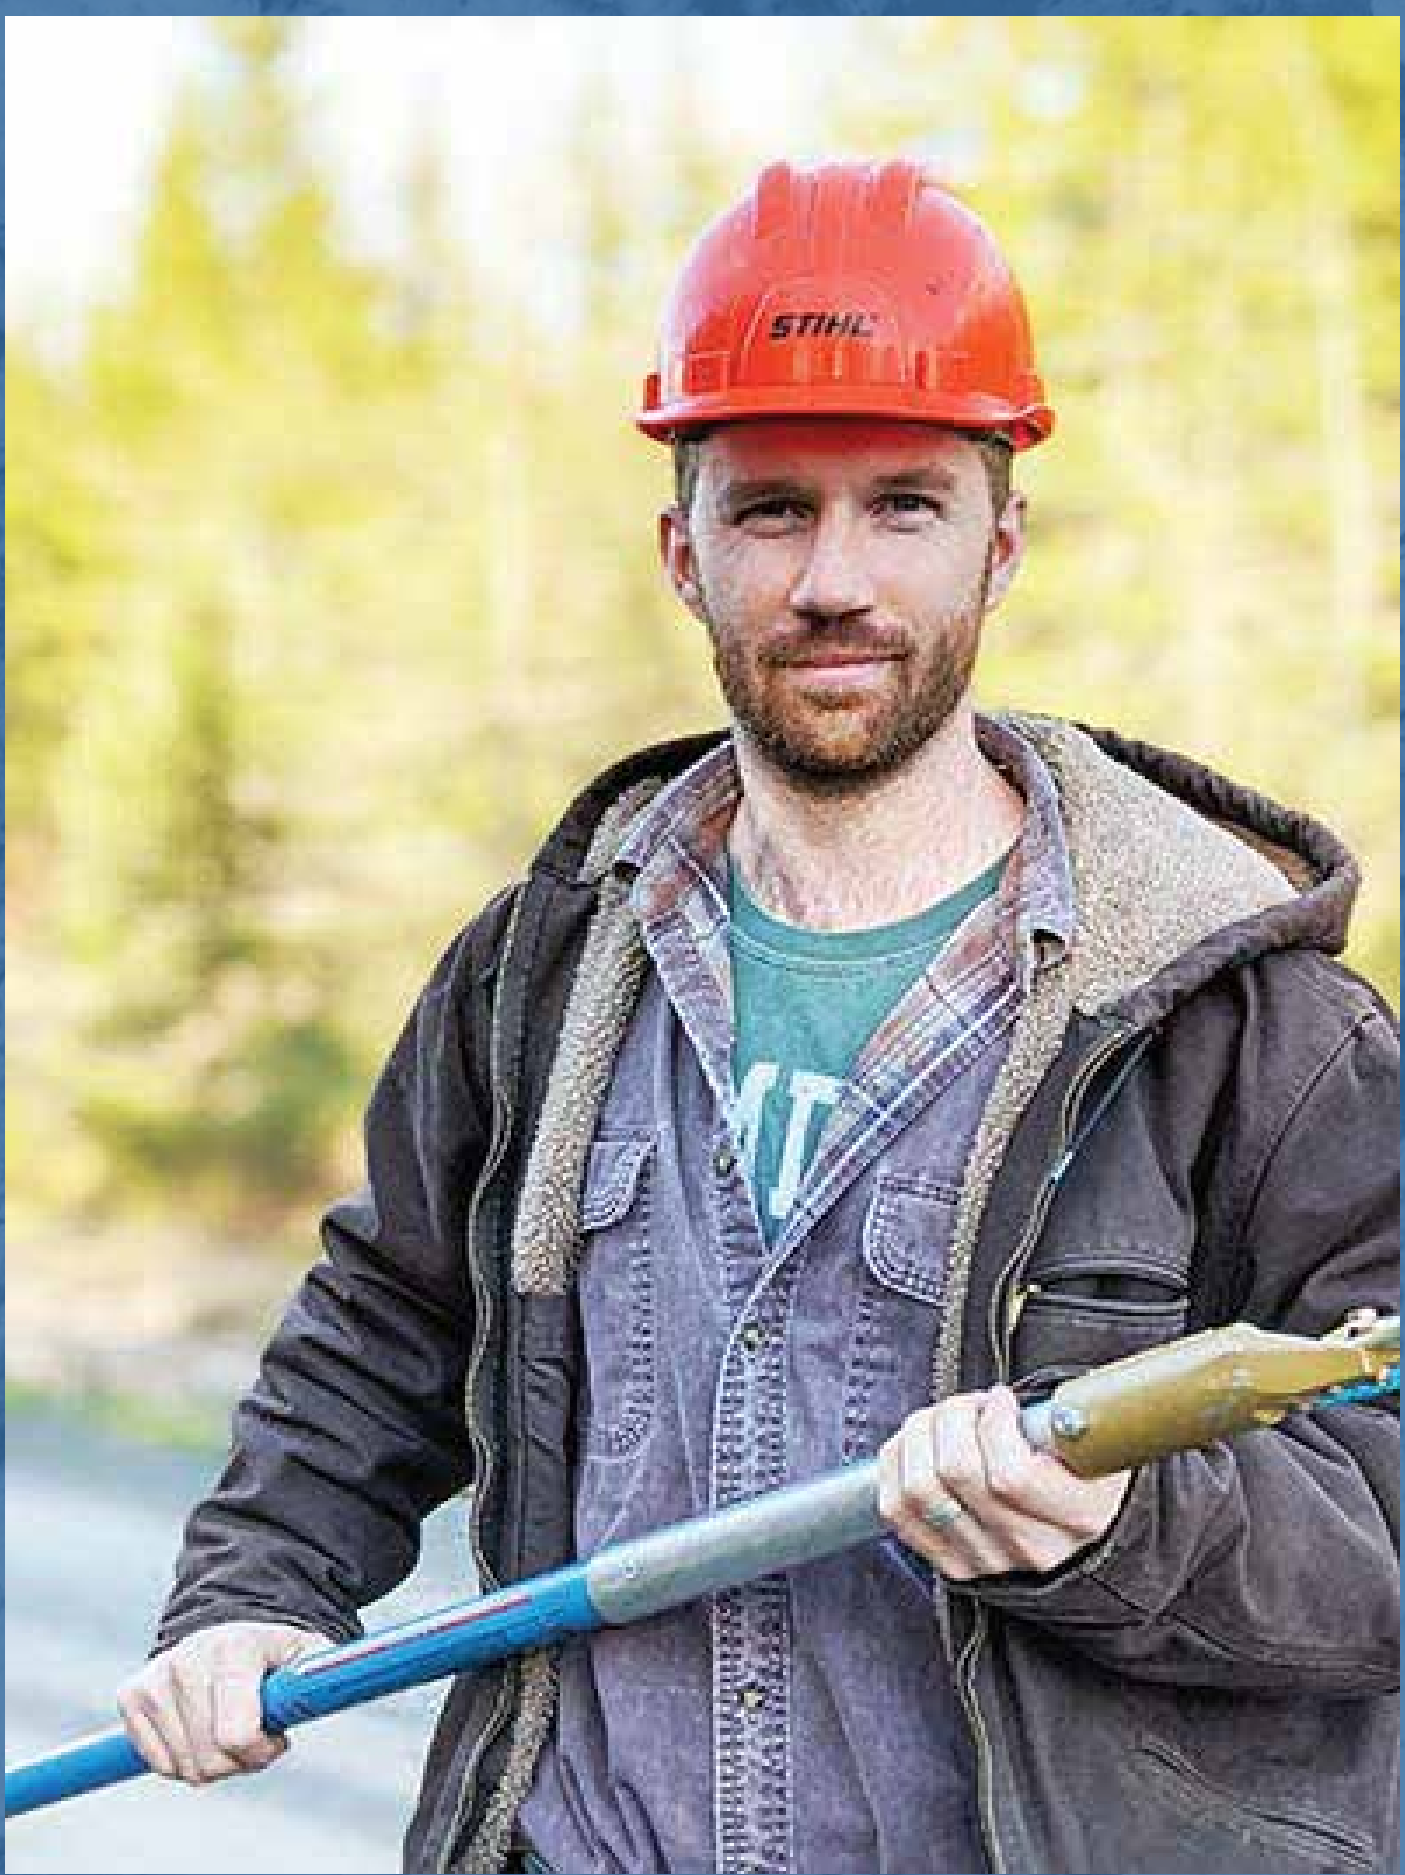

When: Thursday December 16th, from 3:00PM - 5:00PM

Where: Room 263, Nutting Hall, University of Maine Orono
Center for Research on Sustainable Forests office

Who: Dr. Neil Thompson (UMFK) & CFRU program leader
and the rest of our staff!

What:

- Are you a researcher? Come talk with us about funding opportunities. RFPs are being accepted now through January 1, 2022.
- Are you a student seeking summer employment? Chat with us about open positions starting in late May that will bring you all over northern and central Maine and provide you with field and research experience.
- Does your organization already belong to the CFRU and you're looking to connect with new members? Join us!

Dr. Neil Thompson
started as program leader
in October 2021.

For more information contact regina.smith@maine.edu

The University of Maine Orono is an equal
opportunity/affirmative action institution.
