	Lab Manager Time	Hour	\$ 90.00	For services such as experiment consultation, fish shipping and receiving, etc.

### Items to Note

Pre-payments are not allowed under any circumstances. All payments must be for services rendered. Services purchased with sponsored funds must be directly allocable to the funding project.

Facility usage fees are evaluated each fiscal year and are subject to change. For purposes related to budgeting multi-year projects, annual 5% increase in user rates should be anticipated.

[See guidance provided by the UMaine Office of Research Compliance on the need for an approved IACUC protocol for working with zebrafish](#)

\*Casper Fish are for non-commercial use only.

*A member of the University of Maine System*
