Items to Note

Pre-payments are not allowed under any circumstances. All payments must be for services rendered. Services purchased with sponsored funds must be directly allocable to the funding project.

Facility usage fees are evaluated each fiscal year and are subject to change. For purposes related to budgeting multi-year projects, annual 5% increase in user rates should be anticipated.

[See guidance provided by the UMaine Office of Research Compliance on the need for an approved IACUC protocol for working with zebrafish](#)

Line storage tanks are available only as space allows.

*Casper Fish are for non-commercial use only.
