

Welcome and congratulations! You have successfully enrolled in the Early College program.

What should you do next?

Activate your UMaine Portal account (if not already active). The UMaine Portal ([mycampus.maine.edu](http://mycampus.maine.edu)) provides easy access to MaineStreet, Brightspace, Zoom and more. Bookmark this so that you can access everything you need in one location. You will need to activate your maine.edu account first before you can access any of these UMaine-related systems.

**Please navigate to the following page, [umaine.edu/earlycollege/activate-my-account/](http://umaine.edu/earlycollege/activate-my-account/), and request your activation code.** You will receive an email response with an activation code to the email address you provide. Please activate your account here: <https://mail.maine.edu/um/ActivateAccount>.

If you don't have your ID number handy, you can find it in your ExplorEC portal: <https://explorec.maine.edu>.

Your ID number will be where the XXXXX is listed in the photo. 🙌

Let us know if you have any other questions and welcome to the program!
