

PSE 110: Introduction to Horticulture

Learn the Basic Information involved in Growing Garden Plants

- Hands-on Experience Growing Plants at Home
- Basic Botany and Soil Science
- Fruit and Vegetable Production
- Growing Ornamentals and House Plants

Meet Professor Stephanie Burnett

I teach three courses in horticulture:

- Introduction to Horticulture
- Herbaceous Landscape Plants
- Greenhouse Management

I advise the UMaine Horticulture Club
and Horticulture Honor's Society (Pi Alpha Xi).

Course details
