

# Career and College Ready Summer Program

Our Career and College Ready program is a four-day residential summer educational experience combined with an online course in career exploration (two credits).

**Online: May 20–June 7**

**In person: July 21–25**

## Program Highlights

- Complete the first three weeks through an online learning format, and then live in a University of Maine college dorm for the final week.
- No-cost program! Stay in the dorms, eat at the Bear's Den, and enjoy exciting activities on campus.
- Explore and identify career interest and goals through a structured career development process.
- Learn how to use various university technologies like Zoom and Brightspace to engage with coursework, peers, and the broader UMaine community.
- Learn to recognize the difference between high school and university expectations through practicing time management strategies, course attendance, and more.
- Recognize the opportunities available in higher education.
- Only open to high school students of new Mainers (immigrant or asylee) who are eligible to complete the FAFSA (please review famemaine.com for more info).
