

Welcome and congratulations! You have successfully enrolled in the Early College program.

What should you do next?

Activate your UMaine Portal account (if not already active). The UMaine Portal (mycampus.maine.edu) provides easy access to MaineStreet, Brightspace, Zoom and more. Bookmark this so that you can access everything you need in one location. You will need to activate your maine.edu account first before you can access any of these UMaine-related systems.

If you do not have an activated UMS account you will receive an email from ums.ec.activate@maine.edu shortly with steps on how to activate this account. If you need assistance in resetting your account or password please navigate to <https://accounts.maine.edu/>.

If you don't have your ID number handy, you can find it in your ExplorEC portal: explorec.maine.edu.
