

## **Master of Science (M.S.) in Human Development Professional Learning Outcomes**

The professional learning outcomes (PLOs) for the Master of Science (M.S.) in Human Development program are listed below. Our curriculum is designed to help our graduates achieve the following skills and professional standards:

- 1. Support the fundamentals of professional practice in agencies serving children, adolescents, adults and families**
- 2. Examine and work respectfully with diverse cultural perspectives, knowledge-systems and priorities**
- 3. Explore and interpret current research for continuing professional knowledge and practice**
- 4. Use research in an advanced content area (e.g., early childhood, family relationships)**
- 5. Design and complete an internship plan in a human service program or in applied research mentored by a faculty member**
