Graduates of the Master of Science in Athletic Training (MSAT) program at the University of Maine will be prepared to sit for the initial Board of Certification (BOC) exam, and once completed to achieve state licensure wherever they choose to practice. By the end of their MSAT program of study, students will have the skills and knowledge necessary to uphold the BOC’s practice standards and code of professional responsibility for certified athletic trainers:

**Practice Standards**

Standard 1: Direction
Athletic Trainers render service or treatment under the direction of, or in collaboration with a physician, in accordance with their training and the state's statutes, rules and regulations.

Standard 2: Prevention
Athletic Trainers implement measures to prevent and/or mitigate injury, illness and long-term disability.

Standard 3: Immediate Care
Athletic Trainers provide care procedures used in acute and/or emergency situations, independent of setting.

Standard 4: Examination, Assessment and Diagnosis
Athletic Trainers utilize patient history and appropriate physical examination procedures to determine the patient’s impairments, diagnosis, level of function and disposition.

Standard 5: Therapeutic Intervention
Athletic Trainers determine appropriate treatment, rehabilitation and/or reconditioning strategies. Intervention program objectives include long- and short-term goals and an appraisal of those which the patient can realistically be expected to achieve from the program. Appropriate patient-centered outcome assessments are utilized to document efficacy of interventions.

Standard 6: Program Discontinuation
Athletic Trainers may recommend discontinuation of the intervention program at such time the patient has received optimal benefit of the program. A final assessment of the patients’ status is included in the discharge note.

Standard 7: Organization and Administration
Athletic Trainers document all procedures and services in accordance with local, state and federal laws, rules and guidelines.
Code of Professional Responsibility

Code 1: Patient Care Responsibilities

1.1 Renders quality patient care regardless of the patient’s age, gender, race, religion, disability, sexual orientation, gender identity, or any other characteristic protected by law.
1.2 Protects the patient from undue harm and acts always in the patient’s best interest and is an advocate for the patient’s welfare, including taking appropriate action to protect patients from health care providers or athletic training students who are, impaired or engaged in illegal or unethical practice.
1.3 Demonstrates sound clinical judgment that is based upon current knowledge, evidence-based guidelines and the thoughtful and safe application of resources, treatments and therapies.
1.4 Communicates effectively and truthfully with patients and other persons involved in the patient’s program, while maintaining privacy and confidentiality of patient information in accordance with applicable law.
   1.4.1 Demonstrates respect for cultural diversity and understanding of the impact of cultural and religious values.
1.5 Develops and maintains a relationship of trust and confidence with the patient and/or the parent/guardian of a minor patient and does not exploit the relationship for personal or financial gain.
