

## Maine EPSCoR's SEANET Certification Form

Throughout this application process and any award implementation, applicants signify their intent to:

- 1) involve any appropriate administrative/financial entities at your organization/institution in the pre- and post-award process for this project as applicable;
- 2) expend and request reimbursement only for items that are in the project's approved budget;
- 3) notify Maine EPSCoR immediately if there is any potential deviation needed from the project scope or budget, which must be approved prior to implementing;
- 4) adhere to Maine EPSCoR reporting and evaluation requirements, which are mandated by NSF;
- 5) work with Maine EPSCoR on publicity information for this project; and
- 6) provide project information as requested by Maine EPSCoR throughout the award timeframe through various reporting mechanisms.
