Subject: **Notice of Faculty Senate Hearing: Proposal for PhD in Anthropology and Environmental Policy**

To: various lists

From: "Harlan Onsrud" <onsrud@spatial.maine.edu>

Fellow Members of the University of Maine Community,

All in the campus community are invited to attend this campus-wide hearing to comment on the proposal.

The Faculty Senate has relegated to the Program Creation and Reorganization Review Committee of the Faculty Senate (PCRRC) lead responsibility to review for the Faculty Senate: (1) any proposals at the University of Maine for creation or elimination of academic degree, certificate and similar programs, and (2) any proposals for creation or reorganization of academic units. The currently accepted University of Maine campus and University of Maine System processes for taking such actions are set forth in the Policies and Procedures Manual and its Appendix to Chapter 2, accessible at <http://www.umaine.edu/facultysenate/PCRRC>

A proposal to create an academic degree program is currently before the Senate. With this email we notify the campus community of a hearing to be held on the matter as set forth in Chapter 2, Stage 8 of the above referenced manual and in the Appendix to Chapter 2.

Subject: **Public Hearing in regard to Proposal for a New Academic Degree Program titled Ph.D. in Anthropology and Environmental Policy.**

Date: Friday, 29 January 2010

Time: 11:00 am - 12:00 noon

Location: Memorial Union, Bangor Room

Documents: The proposal to create the new academic degree program may be downloaded at

<http://www.umaine.edu/facultysenate/PCRRC/AnthroAndEnviroPolicy.pdf>

All in the campus community are invited to attend and comment.

Regards,

Harlan Onsrud, Chair

Program Creation and Reorganization Review Committee (PCRRC),  
University of Maine Faculty Senate
