Interviewer George Carey

Narrator: Students of George Carey and Rayna Green, 1972-1992, from the University

/Depositor:

Description: **2597 Various students of George Carey and Rayna Green, 1972-1992**, from the University of Massachusetts at Amherst, collected by George Carey, 1972-1992, Maine, New Hampshire, Massachusetts, Connecticut, Vermont. A collection of approximately 1200 student papers from folklore classes taught by Carey at the University of Massachusetts at Amherst, 1972-1992. The papers cover an extremely wide range of folklore; folklife; ethnic heritage; local history topics; various location in the US. A list of titles is available, but at the time of writing, no further indexing or analysis has been done. The materials were received in June, 1998. In August 1998, Carey added approximately 188 student papers from folklore classes taught by his colleague, Green. A list is available for these as well.

Text: 47 pp. inventory and about 1388 papers, 20,000 pp. approximately
