

Cutler Health Center

University of Maine Graduate Student Orientation 2019
Renee Sibley | Practice Manager

A Comprehensive Medical Practice on Campus

- Primary Care
 - Managing on-going health needs including acute/chronic care management as well as medications
- Men's and Women's Health
- Physical Examinations
 - Annual Check-Ups, Sports Physicals, Travel Physicals, UMaine Required Physicals
- Same-day appointments for episodic needs
 - i.e. earache, sore throat, sprains, urinary tract infections, flu-like symptoms, STI symptoms, etc.
- Ancillary Services
 - On-site Laboratory, X-Ray and Physical Therapy
 - Off-Site Pharmacy

What Makes Us Special

- Primary care for your entire family with convenient year-round hours
- Physical Therapy
- Athletic Trainer (participants of club and intramural sports)
- Laboratory and blood work from other providers
- Allergy shots administered in our office
- X-Ray services on-site 2 days/week
- Taxi arrangements for medical appointments off campus
- Convenience Factor - We are in the middle of this beautiful campus which allows for easy access to quality medical care!

Our Providers Know UMaine

- Dr. Sarah Stewart, DO and Lead Physician '02
- Eliza Currie, PA-C '00
- Sande Curtis, FNP
- Sean Sibley, FNP '14, '18 - *Accepting new primary care patients*

How To Pay For Services

- We can bill health insurance just like any other provider's office
- We accept cash, check, credit and debit cards
- Co-Payments and Co-Insurance Amounts can be paid at time of service and are eligible for a 10% discount.

Scheduling an Appointment

- Monday – Friday | 8:00AM – 5:00PM
 - Even open over school breaks, but closed on major US holidays
- Call to schedule an appointment | 207.581.4000 – or stop by the Health Center
 - There are limited same-day appointments for urgent issues
 - Non-urgent issues can typically be scheduled within 48 hours
- This information is also available on our website: umaine.edu/cutler

After-Hours Care

- Calling our office (207.581.4000) will direct you to our after-hours answering service
 - An RN will triage your needs and offer next step support based on how urgent your needs are. i.e., ER, Walk in Care, Next Day Office Visit, etc.
- Emergencies should always go through 911 – University Volunteer Ambulance Corps (UVAC)

The Healthcare Choice for UMaine's Vibrant Community
