Dear Grants Officer,

I would like to thank the Graduate Student Government for the opportunity to attend and present my graduate research at the annual Society for Promotion of Elfish Welfare Meeting in Liverpool, England from April 29-May 6, 2016. This conference greatly benefitted my research regarding the welfare of house elves, and I am grateful that the GSG was able to provide me with \$850 toward travel and conference registration fees. Funds received were spent primarily in accordance with my original budget. I have enclosed all original receipts for my flights and conference registration, as well as proof of presentation. Please contact me with any questions or problems regarding the use of funds.

Sincerely,

Hermione Granger
