Approval of minutes from 02/20/2019: Majority apparent, APPROVED

Guest Speaker:

Harrison Ramsley (spelling?) from SCCORC (Student Conduct Code Oversight and Review Committee)

- Goal of SCCORC is to amend the student conduct code. The student conduct code is a system-wide project but will be implemented at the university level.
- SCCORC is hoping to create a student Bill of Rights.
- SCCORC is seeking feedback from students (email tellumsg@gmail.com) on issues and/or mishandlings that should be included and considered for the amendment.

President:

- Very little interest in ordering GSG pins.
- Regarding the per diem, GSG will write a letter to university administrators requesting support and implementation of a tiered government rate for meals. Additionally, GSG will begin discussing changing our own constitution/grant processing to allow for student's to request government rate for the city they are traveling to.

Vice President:

- Mug Club will be on March 7th at 4 pm in 57 Stodder. It will be broadcasted and recorded via Zoom. The topic is thesis and dissertation formatting.
- Still recruiting judges for UMSS19. Go to tinyurl.com/umss19vol to sign up.
- UMSS19 abstracts are due March 15th.

Grants Officer:

- Spring grants are being reviewed this week and next week. Scores and checks will be available in the next two weeks.

Outreach and Professional Development Officer:

- Social event (Beers, Burgers, and Board Games) will be on March 22nd from 5 to 9 pm. See flier for details and spread the word!

Unionization Efforts Update:

- Unionization is a student initiative brought to the attention of GSG. Unionization may allow for protection of tuition waivers, legal representation, and a stronger voice.
- University of Illinois is currently on strike and is setting a great example for graduate students.

Healthcare Committee Update:

- This is our first year combining GA/TA pool with international pool. Currently we have 90% coverage in network and \$250 yearly deductible. The trend right now is that health insurance and health care costs are increasing.
- GSG insurance committee asked for quotes for dental coverage (voluntary enrollment).
- Senator mentioned NAGPS, which is similar to AAA but for graduate and professional students. It has a range of benefits, including health insurance, dental insurance, etc.

Diversity and Inclusion Committee Update:

- Diversity and Inclusion committee is developing a survey on diversity and hope to have it sent out in the beginning of April. From the survey, committee hopes to make a recommendation to UMaine President.

Student Mentoring Committee Update:

- Student Mentoring Committee is asking the question: What needs or expectations do you need/want from your mentor/advisor?
- Biggest issue for the committee right now is defining advisor vs mentor.

Meeting adjourned at 12:55 PM with apparent majority.
