2020-2021 DTAV/Patch Suite Reservation and Assignment Process

In order to be eligible to live in Doris Twitchell Allen Village/Patch for the 2020-2021 academic year, each student must be currently enrolled for the Spring 2020 semester (or studying abroad or transferring in), and must have attained a minimum of 40 completed credit hours by December 31, 2019. A majority group of Juniors/Seniors may pull in one students with sophomore standing for Fall 2020, a minimum GPA of 3.0, and no conduct issues with Residence Life for Patch, or two students with sophomore standing for Fall 2020, a minimum GPA of 2.5, and no conduct issues with Residence Life for DTAV.

Groups of 5 or 6 students with sophomore standing for Fall 2020, a minimum GPA of 2.5, and no conduct issues with Residence Life may apply for housing in Lown or Smith House. A group of three Juniors/Seniors may pull in one sophomore with a minimum GPA of 3.0 and no conduct issues with Residence Life to a Patch suite. Groups of Juniors/Seniors applying for DTAV may include up to two sophomores with a minimum GPA of 2.5 and no conduct issues with Residence Life.

The minimum number of students per group is 4 for Patch and 5 or 6 for DTAV. Eligible students who are not part of a group may apply for assignment after group assignments are completed. There is no guarantee of assignment for individuals or partial groups as priority is given to full groups. Applications from partial coed groups will not be accepted.

Suite sizes are four students in Patch Hall, and five or six students in DTAV. Each suite in DTAV is a combination of single and double bedrooms. Each suite in Patch has either four single bedrooms, two double bedrooms, or one double and two singles (only two of this type of suite are available). Suites may be coed, but individual bedrooms may not. If a vacancy occurs in a coed suite at any time, it is the responsibility of the remaining residents to fill the vacancy or pay an additional room fee to cover the cost of the vacancy.

Please note: One person can turn in all the required paperwork for a group. All members of the group do not need to be present when submitting the application.
