Rising juniors and seniors are eligible to live in Doris Twitchell Allen Village (DTAV) or Patch Hall for the 2021-2022 academic year if they are currently enrolled in classes at UMaine, studying abroad for the Spring 2021 semester, or transferring in for the Fall 2021 semester and must have attained a minimum of 40 completed credit hours by December 31, 2020.

Patch Hall requires four-person groups with majority juniors and/or seniors. Groups may have one rising sophomore in their group provided they have no conduct issues with Residence Life.

DTAV requires five or six-person groups with majority juniors and/or seniors. Groups may have two rising sophomores in their group provided they have no conduct issues with Residence Life.

Groups of rising sophomores are permitted to apply for a DTAV suite. These groups must have 5 or 6 majority sophomore students and no conduct issues with Residence Life. Sophomore groups are permitted to have juniors or seniors in their group, as well.

Individuals, pairs, or trios may apply for a suite and will be considered after all full groups are assigned.
