

What our students say

VINICIUS CALDAS, BRAZIL

“ The IEI is a place where you can learn English in a short time. In addition to classes, the IEI provides outdoor activities. They have trips where you will have to use English like your first language and you will learn about different places, see awesome landscapes, and explore cities inside this wonderful state, Maine. So if you have an opportunity to come, do it.”

ABDULRAHMAN ALTURAIF, SAUDI ARABIA

“ I really enjoy studying at the IEI. In a nutshell, I highly recommend anyone that wants to study in the United States to study at this great school.”

JIA JUN LUO, CHINA

“ My family moved here from China and I think the IEI is a good place to improve my English. What I like best about studying here is the nice teachers and interesting classes. Also that classmates come from many different countries. IEI has helped me with my English and prepared me for university classes by teaching me a lot of skills about how to study and how to do well in academic classes. IEI helps me improve my listening, reading and writing, and focus on studying and making more friends.”
