Culture Partner Program

- Improve your language ability
- Learn about American culture
- Learn more about being a student at the University of Maine
- Challenge yourself
- Make a friend

To be matched with a Culture Partner Volunteer complete the attached application and return it to the Office of International Programs in Estabrooke Hall, Room 240 or the Intensive English Institute in Hannibal Hamlin Hall.

For more information call: 581-3821

The University of Maine Culture Partner Program matches native speakers of English with non-native speakers of English on campus for language support and cultural exchange. Partners meet weekly for about an hour to practice conversational English. For the language learners it is an opportunity to practice their conversational skills in a one-on-one non-classroom setting. For the learners and volunteers it is a chance to explore a new culture and create friendships.
