Student Clubs and Organizations
The university offers more than 200 student organizations. Whether you’re interested in sports clubs, academic organizations, honor societies, recreational groups, professional development organizations or multicultural societies, or even starting your own student organization -- you will find friends who share your interest. For a list of current clubs, visit umaine.edu/campus-life.

Arts and Culture
The arts are a way of life at UMaine. You can catch a Broadway show, see world-famous artists perform, participate in a student play and visit world-renowned museum exhibits right on campus. Learn more about the university’s offerings at umaine.edu/arts.

Sports
Ice hockey is a Maine tradition when watching with 5,000 students and fans at Alfond Arena. The Wall Street Journal called the Alfond the “best atmosphere” for hockey viewing in America. UMaine competes in 17 NCAA Division I sports and offers more than 30 club sports. Below are just a few examples of popular programs available on campus. Pablo can learn more about UMaine athletics at umaine.edu/campus-life.

Undergraduate Students
International students can apply to more than 100 undergraduate majors right from the start. First-year students get to work on finding the skills they need over their four years at UMaine. Faculty members welcome students to complete their research projects, helping students gain valuable experience through their mentor-mentee relationships. UMaine’s Office of Student Internships exposes students to the real workplace environment they will encounter after graduation. At the center, students develop skills and learn to develop innovative business models, as well as how the skills they used as entrepreneurs. The Center for Undergraduate Research allows interested and interested students to become actively engaged in a culture of independent learning and participation in the creation of new knowledge.

Graduate School
The University of Maine is the state’s premier liberal arts and sciences-based research institution, offering a comprehensive menu of master’s and doctoral degrees. The University of Maine Graduate School is recognized for excellence, innovation, and interdisciplinary study. umaine.edu/graduate

Intensive English Language Institute
The Innovative English Institute (IEI) at the University of Maine provides quality English language instruction for students at all levels in a fun, safe and small group environment, with access to all campus resources. IEI prepares international students for success in academic study, and offers opportunities for positive cultural experiences in Maine and the United States. umaine.edu/iei
