Why choose UMaine

- The University of Maine is the state's flagship public research university.
- Ranked in the top 100 public colleges and universities in the latest U.S. News & World Report.
- Accredited by AACSB for undergraduate business programs and MBA. ABET-accredited for 11 engineering programs. Regionally accredited by NEASC.
- Maine is rated the safest state in the U.S. by the Institute for Economics and Peace, and the happiest place to live in New England by the journal Science.
- Home to over 11,000 students, including more than 450 international students from 63 countries.
- Offers nearly 100 undergraduate majors and programs, and 85 master's and 35 doctoral degree programs.
- Many state-of-the-art facilities, both on and off campus.
- One of the lowest student-faculty ratios – 16:1 – and one of the highest percentages of classes under 20 students for a major research university in the Northeast U.S.
- 17 Division I sports. Famous for the men's ice hockey team, with two national championships.
- 15 minutes from Bangor International Airport, with daily flights to New York City, Washington, D.C., Philadelphia and Detroit.
- Four-hour drive to Boston, one-hour flight to New York City, two-hour flight to Washington, D.C.
