Welcome to the University of Maine

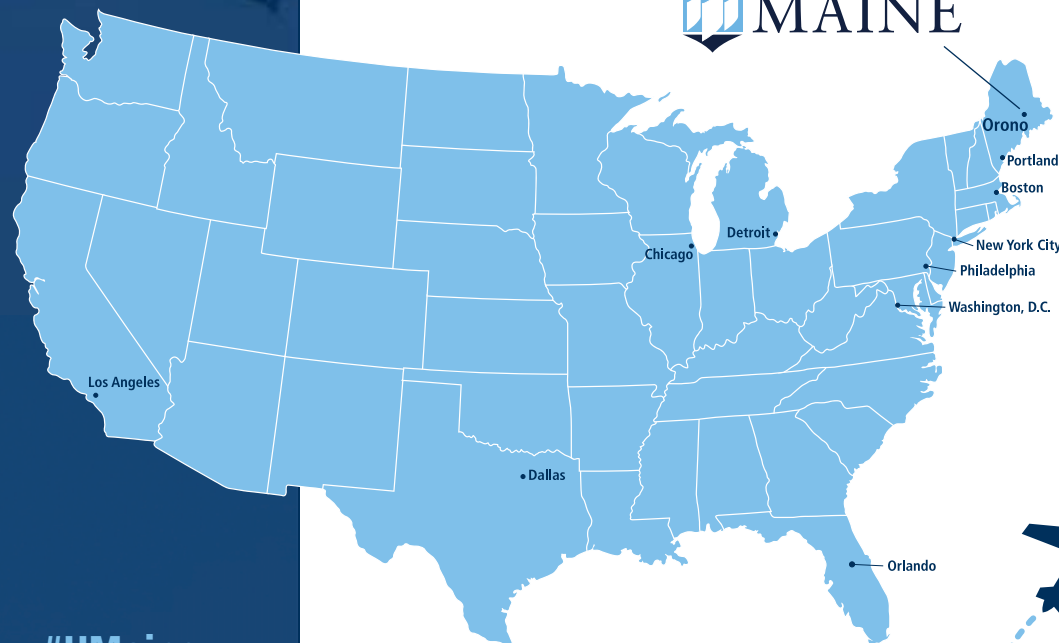

The University of Maine is a public research university in the Northeast of the United States that **offers excellent academic and research opportunities on a safe and welcoming campus.**

UMaine, home to more than **11,000 undergraduate, graduate and doctoral students**, combines the opportunities of a large institution with the safety and friendliness of a small campus. Our students work alongside their professors to conduct **real-world research**, and take part in **co-ops and internships** that prepare them for their future careers.

The University of Maine helps students create success stories – with a wide variety of programs and opportunities – and we do so with **world-class faculty members, internationally recognized research and first-rate facilities** located near some of the best recreation sites in the nation.

We want you to visit our campus, talk with us and discover UMaine's unique opportunities.

Our alumni include best-selling authors like **Stephen King, NASA researchers, IT innovators, engineers, filmmakers and more.** We invite you to join this talented community.

Student and faculty research the fungus *Candida albicans* in a lab

UMaine's inflatable technology expertise is utilized by NASA and the U.S. Army

International students celebrate at UMaine's annual Maine Day event

UMaine competes in 17 NCAA Division I sports and offers more than 30 club sports

Best-selling author Stephen King is one of UMaine's best-known alums

UMaine is located in **Orono**, a classic college town just 8 kilometers from the city of Bangor (population 33,000), with more than **200 retail shops and restaurants.**

Several major airlines serve **Bangor International Airport**, with daily flights to New York City, Washington D.C., Philadelphia and Detroit.

- 4-hour drive to **Boston**
- 1-hour flight to **New York City**
- 2-hour flight to **Washington, D.C.**

Students often spend winter weekends skiing at nearby resorts

How to apply

We welcome applications from across the globe. Our students come from IB programs, the Cambridge system, and local and international schools, and as transfer students from universities across the globe.

To apply to UMaine, visit umaine.edu/international and complete the following steps:

- Complete the Common Application or the UMaine Mobile Application.
- Pay the application fee online.
- Submit one official transcript of all previous secondary/high school or university work. If the document is not in English, submit a certified English translation.
- Submit an English language proficiency test or request a waiver.
- Submit a copy of passport ID page.

Scholarships

The University of Maine offers merit scholarships to international students. Scholarships are awarded based on students' academic records. Students are reviewed for scholarships at the time of admission; no additional material is required.

Deadlines

The University of Maine offers both fall and spring semester admission. Priority application deadline for scholarship consideration is **Feb. 1** for fall semester (August) and **Nov. 1** for spring semester (January). Applications received after these deadlines will be considered for admission and scholarships on a space-available basis.
