The accord was reached on Good Friday, April 10, 1998, and accepted by vote of the citizens of Ireland and Northern Ireland on May 22, 1998.

The Peace Scholarship is an agreement between Maine and Ireland for a student exchange at the University level. During the 2021-2022 academic year, students from Maine will be in residence in the city of Cork on the south coast of Ireland, at the University College Cork of the National University of Ireland. The first Peace Scholarship exchanges took place during the 1999-2000 academic year.

One academic year or two one-semester scholarships will be awarded per year.

Award and Award Period

Scholarship recipients will participate in the exchange at the [University College Cork](#) (UCC) in Cork, on the south coast of Ireland, within one year after receiving the award. For example, if you are announced as a Peace Scholarship awardee in spring 2023 for a one-semester period, your exchange period would begin either in fall 2022 or spring 2023 for one academic semester only. If you are awarded an academic year scholarship, your exchange period would begin in fall 2022 and last through spring 2023.

During the Covid-19 pandemic study abroad is cancelled and students will be allowed to travel to Ireland once conditions allow. Travel will resume when US Department of State and CDC travel level for Ireland returns to normal, and border restrictions are lifted.

The scholarship covers:

- tuition and fees for a minimum of 12 and maximum of 15 credits per semester (UCC)
- university housing (UCC)
- meal stipend (UCC)
- airfare stipend of \$1,000 (UMaine)

Students who are awarded the scholarship should budget for:

- additional meal costs
- textbook costs
- international travel and health insurance
- Irish immigration card
- personal expenses

Course Selection and Transfer Credits

Courses are called “modules” and majors are called “courses” in Ireland. The University College Cork offers an extensive list of courses, or “modules” as they are called in Ireland, for visiting U.S. students. The Irish modules are listed in the ECTS system (European Credit Transfer System). A full load of modules per semester is 60 UCC credits, which is equivalent to 15 U.S. credits.

Prior to submitting this application, you are required to identify the courses you want to take in Ireland, and your planned coursework must be approved by your University academic advisor, who must also sign this application. Even though your advisor will have approved the courses you intend to take in Ireland, you’ll want to bring syllabi and coursework home with you, in case there are questions concerning transfer of credit. If you are awarded this exchange scholarship, you must file the appropriate study abroad forms at your home university. For more information regarding forms and transfer credit, contact Erika L. Clement, study advisor, at studyabroad@maine.edu.

Expectations Following the Exchange

When you return from Ireland, you’ll be asked to complete a formal evaluation of your exchange experience. You will also be expected to share your experience formally and informally on campus and in the community (e.g. with future applicants, in international studies classes, at Rotary meetings, etc.).
