Silent Voices Remembered

A Yom HaShoah Commemoration Concert of Holocaust Memorial Trios

Carborundum etching "Trio" by WPA-era American artist Hilda Husik

THE ESSEX PIANO TRIO

A CONVERSATION AMONG FRIENDS

Ashley Offret, *violin* • David Cabral, *cello* • Beverly Soll, *piano*

Although the subject is dark, the music is gorgeous, representing the work of five composers including Dimitri Shostakovich. While mourning the atrocities of genocide — as only art can — this concert celebrates the courage and resilience of those who survive and recognizes the tragic loss of all people targeted by senseless hate and violence.
