

ArtWorks!

Application deadline: October 6th

ArtWorks!, an art program for students in grades K through 8, provides children an opportunity to explore the world of art through hands-on experiences with a variety of visual media, the history of art, and the viewing of art works. The **fall ArtWorks!** session will run for five consecutive weeks with classes held on **Friday afternoons** from **3:30-5:00** in **Lord Hall** on the University of Maine campus, with classes on **October 13th –Nov 3rd**. **The Children's exhibition will be on Veteran's Day, Nov 10th.**

Parents or guardians are responsible for their children's transportation to and from the program. Classes will begin promptly at **3:30 and conclude at 5:00 sharp**. For safety, students will not be allowed to leave the classroom until the pre-designated adult has come to the room to pick him or her up.

Class sections are organized by age or grade level, and spaces are very limited. Acceptance into the program will be on a first-come-first-serve basis. A list of alternates will be kept in case of vacancies.

A **\$25. course fee** will be charged for the **fall** session to cover the costs of materials used during the classes. **The course fee must be paid on or before the first day of classes.** Checks should be made out to the **University of Maine**. A limited number of scholarships are available.

♥ All *ArtWorks!* classes are taught by Art Education students, under the close supervision of Dr. Constant Albertson. *ArtWorks!* is a lab school designed to provide future art teachers the opportunity to develop the skills necessary for success in their future classrooms. To facilitate this, we ask parents and Ed. Techs to stay outside the classroom during the *ArtWorks!* sessions. They are welcome to sit in the lobby area where they will be close at hand should their assistance be needed, but we ask that the art education students be given a chance to succeed as independent teachers. As this will be the students' first formal teaching experience it is important that it be as realistic as possible. Your cooperation is greatly appreciated.

♥ Art classes will take place on the second and third floors of Lord Hall. There is an elevator to all floors and the bathrooms are accessible. Art Education students will contact you prior to the first class to give you your child(ren)'s room number(s).

FOR MORE INFORMATION, contact Constant Albertson at 581-3251 or the Dept. of Art, Lord Hall, at 581-3245 or by e-mail: constant@maine.edu.
