

Stereotypes? We're baking changes!

MAAV regularly hosts bake sales to break male stereotypes and to raise visibility for their cause. Bake sale customers are encouraged to sign a pledge against violence.

MALE ATHLETES AGAINST VIOLENCE

Male Athletes Against Violence

When it comes to preventing violence, there can never be too many cooks in the kitchen.

Violence is a way of asserting power, privilege, and control. Men perpetrate the majority of violence, yet this issue is usually framed as a “woman’s” issue. Change will come when we challenge the social norms and institutions that condone and promote violence.
