

WE DON'T TIPTOE

around relationship violence

This project was supported by Grant No. 2011-WM-AX-K010 awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication message are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women.

Male Athletes Against Violence

When it comes to preventing violence, we don't tiptoe around the topic. We're united against it! Violence is a way of asserting power, privilege, and control. Men perpetrate the majority of violence, yet this issue is usually framed as a "woman's" issue. Change will come when we challenge the social norms and institutions that condone and promote violence.
