

School of Marine Sciences Seminar Series, Fall 2018

All seminars are in Room 354, Aubert Hall
at 11:00 am on Fridays. Refreshments are available at 10:45 am

<i>Date</i>	<i>Speaker and Title</i>	<i>Host</i>
Sept 7	NO SEMINAR	
Sept 14	Dr. Sara Lindsay , Associate Professor, SMS, <i>“Assessing Our Signature Education Program in Marine Science: Updates and Opportunities.”</i>	Rebecca Van Beneden
Sept 21	Dr. Aaron Carlisle , Univ. of Delaware, <i>“Tags to Tracers: Revealing the Hidden Lives of Sharks and Fishes Through Integrative Approaches to Ecology.”</i>	Nishad Jayasundara
Sept 28	Dr. Deborah Bronk , President & CEO, Bigelow Laboratory for Ocean Science, <i>“Nitrogen Cycling in the Warming Coastal Arctic.”</i>	Heather Leslie
Oct 5	Dr. Brent Lockwood , Ass’t Professor of Biology, University of Vermont, <i>“Integrating Genetics and Physiology to Gain Insights Into Species Responses to Environmental Change.”</i>	Nishad Jayasundara
Oct 12	Reserved for DMC seminar	
Oct 19	Dr. Oscar Shofield , SEBS – Marine & Coastal Sciences, Rutgers University, <i>“Ecological Change from Algae to Penguins in the Rapidly Changing West Antarctic Peninsula.”</i>	Emmanuel Boss
Oct 26	No Seminar – Ocean Science Meeting - RARGOM	
Nov 2	Dr. Kelly Cole , Post-Doc, SMS, <i>“River Plume Fracture – Formation, Erosion and Decoupling of a Frontal Water Mass.”</i>	
Nov 9	Dr. Patricia A. Tester , Ocean Tester LLC, Beaufort, N.C. , <i>“A Smash Up of Harmful Algae & Copepod Grazing.”</i>	Susan Brawley
Nov 16	Dr. Kevin Stokesbury , <i>“A New Sampling System for New England Groundfish Using Video Technology.”</i>	Yong Chen
Nov 23	THANKSGIVING BREAK	
Nov 30	Dr. Lisa Natanson , NOAA, <i>“The Secrets of Sharks-Insight Into NOAA’s Apex Predator Program.”</i>	Walt Golet
Dec 7	Dr. Don Kent , President and CEO, Schoodic Institute at Acadia National Park, <i>“Leadership Practices for Healthy Landscapes.”</i>	Kristina Cammen
Dec 14	Emily Zimmerman (maybe)	
<p>For more information, contact Susan Brawley (brawley@maine.edu)</p> <p>**Joint Seminar with MBMS to be held on Monday at 1:30 p.m. in 203 Hitchner with PolyCom connections</p>
