## Engineering Elective

The “Engineering Elective” (3 credits) may consist of:

- Any 300 or 400 level MEE elective course, or
- Any 300 or 400 level course in College of Engineering (BEN, CHE, CIE, CET, ECE, EET, MET, SVT), or Innovation Engineering (INV), or Pulp and Paper (PPA), except courses that have significant overlap with a required course.

A list of recommended courses, and prohibited courses, is available at: <https://umaine.edu/mecheng/undergraduate-program/>  
A single course may not be counted as both the Engineering Elective and a MEE Technical Elective.
