Seal of Bilingualism/Biliteracy:Eligibility Guidelines

The Seal of Bilingualism/Biliteracy is an award that recognizes students' achievement in language learning. Students who are proficient in English and an additional language may earn the Seal of Bilingualism/Biliteracy by demonstrating their skills on an approved assessment. Students receive a seal affixed to their diploma and an indication of receiving the Seal of Bilingualism/Biliteracy on their high school transcripts. This award elevates the study of languages and gives students an edge for their college applications and professional careers. In order to be eligible for the Seal, students must complete one of the following in each category:

Languages Specialist to establish an appropriate measure of intermediate-mid		
proficiency based on the ACTFL Proficiency Scale		

*Students seeking the Seal of Biliteracy through the ACTFL OPI may be required to show proficiency in other available language modalities using the ACTFL Listening (LPT), Reading (RPT), and/or Writing (WPT) tests.

Process: Beginning with the Class of 2019, the Maine DOE will award Seals of Bilingualism/Biliteracy to any student who meets the benchmarks listed above. World Language teachers and their administration will be responsible for ensuring that eligible students take the necessary tests. Districts will submit all student applications and supporting materials to the Maine DOE by May 1. The World Language Specialist at the Maine DOE will review the test scores and, if the student meets the requirements, will send a Seal, letter, and certificate to the student and school. When possible, a representative from the Maine DOE will attend award ceremonies to present the seal.
