## STUDENT AGREEMENT:

I have read this application and the description of the program, and understand the program's purposes and application criteria. I understand that earth camp is geared for current WaYS interns or those who wish to participate in the WaYS internship program in the near future and I will make every effort to continue or develop an internship after camp is completed. I also certify that the information in this application is accurate and has not been purposefully misrepresented, and that the essay is my original work. **Students understand cell phones will not be allowed. It would be best to leave phones at home! There is no reception n remote locations.**

**PLEASE RETURN ALL FORMS BY JUNE 17, 2019.**

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Application Essay for  
WABANAKI YOUTH in SCIENCE  
WaYS  
wskitkamik<sup>w</sup> "earth" camp**

In one page, tell us why you would be interested in participating in this program, and about your interests and potential career goals as they relate to science, technology, engineering, or math (STEM), environmental sustainability or forest resource issues. For you, how does science relate to culture?

Please include your cultural interests as well.

*Essay if for new students only. Returning students need not complete.*
