

The University of Maine NROTC Preparatory Program

Application Checklist

	UMaine NROTC Preparatory Program (NPP) Scholarship Application
	SAT/ACT Official Report* (see Note 2)
	High School transcripts with class rank (class rank if available)
	Senior Naval Science Instructor recommendation submitted (If applicable)
	Letters of Recommendation (2)
	Apply for Free Application for Federal Student Aid (FAFSA) https://studentaid.ed.gov/sa/fafsa , Add UMaine FAFSA ID to your application: 002053
	Applicant Fitness Assessment
	Drug Statement (NSTC)
	Debarment Statement (NSTC)
	Statement of Understanding (NSTC)
	Apply to the University of Maine Admissions via Common Application https://go.umaine.edu/apply/

Instructions (Applicants/Senior Naval Science Instructors):

1. Visit our website: <https://umaine.edu/navalrotc/>
2. Click the “NROTC Preparatory Program” tab on the top of the screen.
3. Applicants: Fill out all required forms, complete your NPP application. Once the full checklist from above is completed and electronically filled out please scan and send the **entire** signed package to titus.baskerville@maine.edu and sheryl.hill@maine.edu.

Note 1: You must apply to both University of Maine via Common Application and as well as the NROTC NPP program. These applications are separate.

Note 2: If a student is having trouble accessing SAT/ACT testing facilities, we will accept the initial package without those scores. Applicants should add a note about this situation in their application. Applicants should submit SAT/ACT scores as soon as possible.

Note 3: Other than the scenario described in Note 2, incomplete packages will not be piecemealed together and will not be considered for boarding.

Process:

1. NROTC will begin accepting packages
2. Student must apply to the University of Maine Admissions Office through Common Application
3. The selection process officially ends. Selections will be done on a rolling basis. Selectees will be given a window to accept or decline their offer once email and telephonic notification are made.
