

# UMaine Nursing: WGS Minor Track

To obtain a WGS minor with Nursing BSN degree, a total of 18 additional credits are needed. Nine of those credits already count within the nursing curriculum. An additional 9 credits (or three 3-credit courses) are needed within the WGS department. Below is a suggested outline to meet this criteria.

- WGS 340: Transnational Feminisms
- WGS 410: Feminist, Gender and Queer Theory
- WGS 411: Internship in Women's, Gender, and Sexuality Studies

Where the nursing pathway lists WGS Electives, it is in reference to choosing 2 of these required courses.

### Elective courses - Nursing Pathway (9 credits)

- NUR 300 Health Assessment Through the Lifespan
- NUR 414 Nursing Care Management of Women, Infants and Families
- NUR 452 Community and Population Healthcare

\*The total credits required by the University to graduate with a BSN are 121. Choosing to pursue a WGS minor and follow this pathway will add 3 credits, putting the total credits at 124. Despite the extra class, taking a minor can be an enriching option for nursing students.

\*\*The School of Nursing cannot guarantee off-term offerings. If there is low student interest or faculty are unavailable, we may not be able to run a course. In this circumstance, the student should talk with their advisor about alternative options.
