RE: ADDENDUM 01 to Bid Documents and Specifications for:

MUNSON ROAD REBUILD PHASE V
University of Maine; Orono, Maine

This Addendum forms a part of the Contract Documents and modifies the original Bid Documents and Specifications dated June 24, 2017. Portions of the bid and contract documents not altered by this Addendum remain in full force.

Acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject Bidder to disqualification.

This Addendum consists of the following:

DRAWINGS/PLANS

1. CHANGE Rim Elevation of CB-3 to elevation 498 (Sheet 4 of 11). Grade adjacent area to provide smooth uniform transition to new catch basin rim.

2. CLARIFY that grading on the northerly side of Munson Road shall extend to the 503 contour to provide a uniform positive sloping grade to the curb line between stations 0+00 and 2+00.

3. CHANGE that limit of work for Bid Alternate No. 1 (south side at station 4+00) shall include extending the underdrain to station 4+50 and capping for future extension.

4. CHANGE that new signage posts shall be installed concrete below grade (12" diameter).

5. CLARIFY that the (1)-1” diameter PVC conduit is required with pull street and electrical warning tape along the southerly side of the improvement area as shown on Plan Sheet 3 of 11.

6. CLARIFY that the (2)-1” diameter PVC conduits are required with pull street and electrical warning tape along the northerly side of the improvement area as shown on Plan Sheet 3 of 11.
CLARIFICATIONS

1. CLARIFY that the Contractor is to provide and install all light pole bases, light poles, light fixtures, conduits/fittings/sweeps/pull cords, electrical conductor wire, and warning tape from the power source (to be identified by Owner) to all lighting poles and fixtures. Owner’s Electrical Shop will complete the electrical connections to the power source. Lighting shall include photocells.

2. CLARIFY that Owner will complete all loaming and seeding for the project. Contractor remains responsible for installation, maintenance and removal of all erosion control.

GENERAL

1. Attendance sign-in sheet for the non-mandatory pre-bid meeting held on July 5, 2017 is attached for informational purposes only.
