RESPONSE TO QUESTIONS

1. **Question:** I just wanted to get clarification on 350540-5 stating that all seawater chiller pipes needing insulation. I was under the impression it was just the copper piping on the heat exchangers that need the insulation.
   **Answer:** The PVC Chilled Seawater Piping does not require insulation; only the copper hot water piping.

2. **Question:** Sheet D1.0 there is a note with an arrow pointing to the exterior of room 109 stating see note 8. I don't see a note 8?
   **Answer:** Note to read as indicated in this Addendum 3 under Drawings.

3. **Question:** Advertisement for bids states to submit bids to Waipolo, new bid form states UM. Please confirm where bid gets delivered.
   **Answer:** Bids are to be delivered as outlined in Section 00 11 13 with the envelope identifier indicated in that same section.

CLARIFICATIONS

1. **CLARIFY** that all questions must be received no later than 2:00pm on Friday, April 12, 2019 in order to be considered for response.
