UNIVERSITY OF MAINE SYSTEM

The Rubric Advantage: Designing for Meaningful Assessment

Virtual Workshop

October 15, 2025
12:00-1:30 p.m.

Join the System Wide Academic Assessment Committee (SWAAC) for a hands-on workshop focused on using rubrics to streamline your program assessment process.

In this workshop, you will:

- Learn best practices for rubric development.
- Explore real-world case studies from programs across the University of Maine System (UMS).
- Get dedicated time to work on your own rubrics with support from SWAAC members.

This session is open to all UMS employees. It will be especially useful for assessment coordinators, faculty, chairs, directors, and staff involved in program assessment.
